'School Wars' Social Media Trend

Dear Parent and Carers,

We would like to make you aware of some recent social-media posts initially circulating across several London boroughs, but has now reached the Midlands area, referring to "school wars." This is a new TikTok trend which lists groups of schools and asks children from the 2 opposing teams (blue and red) to fight each other, film and post these fights to get "points".

Please be reassured that the school, local authority and the police are fully aware of this online activity.

At this time, we have no indication of any specific risk to our pupils, and this communication is intended purely as a precaution. Please see the images attached at the end of this letter to familiarise yourself with the kinds of imagery being distributed in relation to this trend.

How you can help:

- If you or your child become aware of any information that may be helpful, please report it directly to the police via 101, or 999 in an emergency. Please also keep us informed.

What is being done:

- We are closely monitoring the situation and liaising with local agencies and partners should anything arise in the local area.

Thank you for your ongoing support in helping us maintain a safe and calm environment for all our pupils, staff and community.

Yours sincerely,

Cheryl Steele
Headteacher
