Summer Water Play Activities

Dear Parents and Carers,

Over the summer, we plan to set up temporary, shallow paddling pools on the school grounds for fun summer water play sessions.

This activity aims to help children cool down, enjoy outdoor sensory play, and build water confidence in a safe, familiar environment.

The safety of your child is our top priority. The sessions will be heavily supervised by school staff at all times, and water depths will be kept minimal.

To help us prepare, please ensure your child brings the following items to school on the day in a labelled bag:

- A swimming kit or a change of lightweight clothing (e.g., shorts and a t-shirt)
- A towel
- A sun hat and pre-applied sun cream

Please complete, sign, and return the attached slip to school as soon as possible. If your child does not have a signed slip, they will be given alternative fun outdoor activities to enjoy instead.

Kind regards,

Rosehill School
