The event will be held in the school hall.

Please make your way to the school office and they will direct you to the hall.

Parking is available on Picadilly (not directly outside school) or the surrounding streets.

This session aims to give you a better understanding and awareness of autism and the role of Nottingham City Autism Team. It also aims to give you the opportunity to share your knowledge and experiences with other parents of children with autism, if you wish. There will be a short presentation followed by questions, answers and discussion of the issues raised including strategies recommended for parent/carers at home. The training will be led by *Sarah Golding* (Autism Team Teacher, SEND Support Service at Nottingham City) and *Amanda Mookan* (Autism Team Transition Support Worker).

The session will be relaxed and informal. There will also be an opportunity to chat to other parents and carers. Refreshments will be provided, including hot drinks and biscuits.

We look forward to seeing you there! If you have any questions about the event, please do not hesitate to contact the school SENCo Mrs Kate Thompson.

So that we can get an idea of numbers, please inform the school SENCo if you are able to attend by **Friday 8th December**.
