

Rosehill School Early Help Offer

Experiencing difficulties getting your child into school?

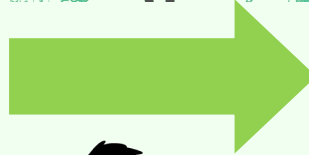

Worried about your child's:

- ...attendance?
- ...health?
- ...behaviour?
- ...progress?
- ...sensory regulation?

Eating/ drinking issues?

Sleep concerns?

Communication challenges?

Your child's class teacher will be the best person to speak to about these concerns. This is usually all it needs to resolve these. If not, then there are other members of staff who may be able to help.

For attendance worries, please contact our Attendance Officer (Kate Lloyds).

If you have spoken to your child's class teacher but still have concerns, then speak to the Phase Leader or Headteacher.

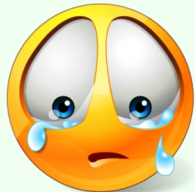

Is something worrying your child?

Change of teacher? Friendship difficulties? Change in confidence? School work? Family troubles? Divorce or separation? Illness within the family? New sibling? Requiring emergency food supplies?

If staff at school cannot help, then we probably know someone who can. We are very well placed to get information and support for you from a wide range of Early Help services e.g. School Nursing, Health Visitors, Young Carers, CAMHS, Specialist Bereavement support agencies, Children's Centres, Housing, Nutrition Support, Parenting courses, Nottingham City & County Council Children's services team, Food banks...

Come and speak to Charlotte Turner (Parent Liaison) or Cheryl Steele (Headteacher).

What affects a family can also affect the children. We may be able to help...

Family worries or crisis? Parent illness? Changes in family circumstances? Housing problems? Health or wellbeing worries?

Your child can have support sessions with our Wellbeing Champions. These might involve using craft activities, drawing and talking, play equipment and social and emotional focus groups to encourage the children to express their feelings, resolve concerns and develop coping strategies.
