Safer Internet Day

**Want to talk
about it?**

Making space for conversations
about life online

What is Safer Internet Day?

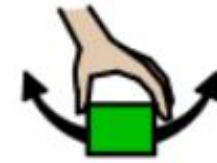

Hands up

if

you

have

used

a:

laptop

smart speaker

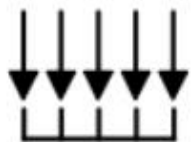

tablet

games console

phone

All of

these

devices

can

connect to

the

internet.

What

do you

like

to

do

online?

ROBLOX

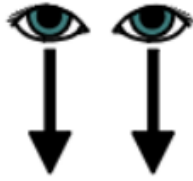

Powering Imagination™

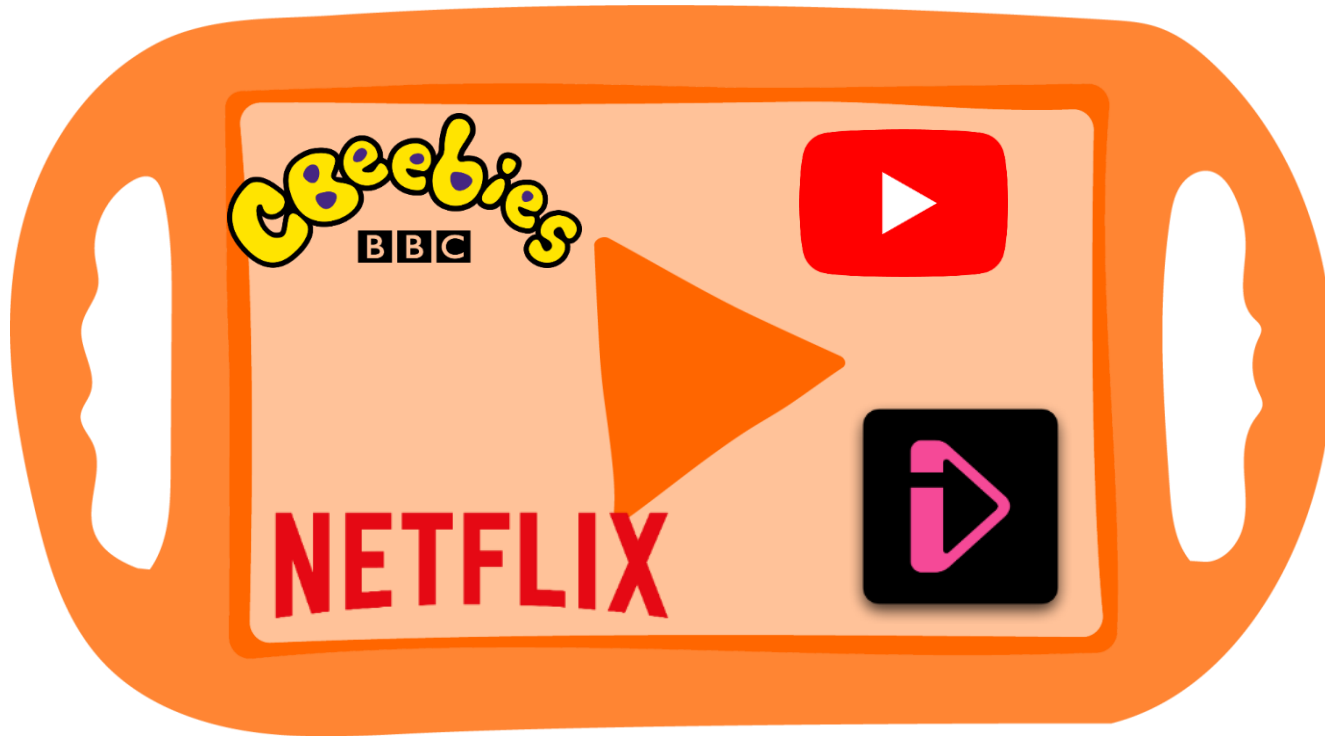

Playing

games

Watching videos

Listening to music

Finding

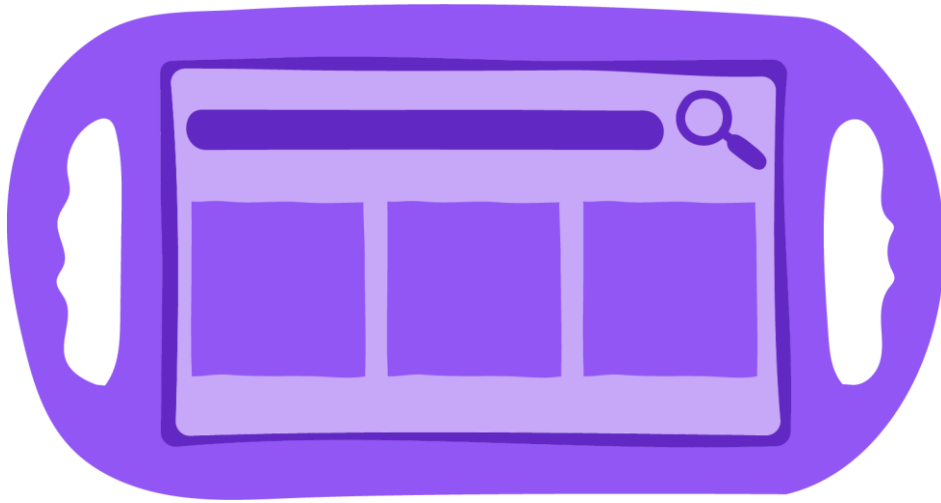

pictures

and

information

Video calling

family

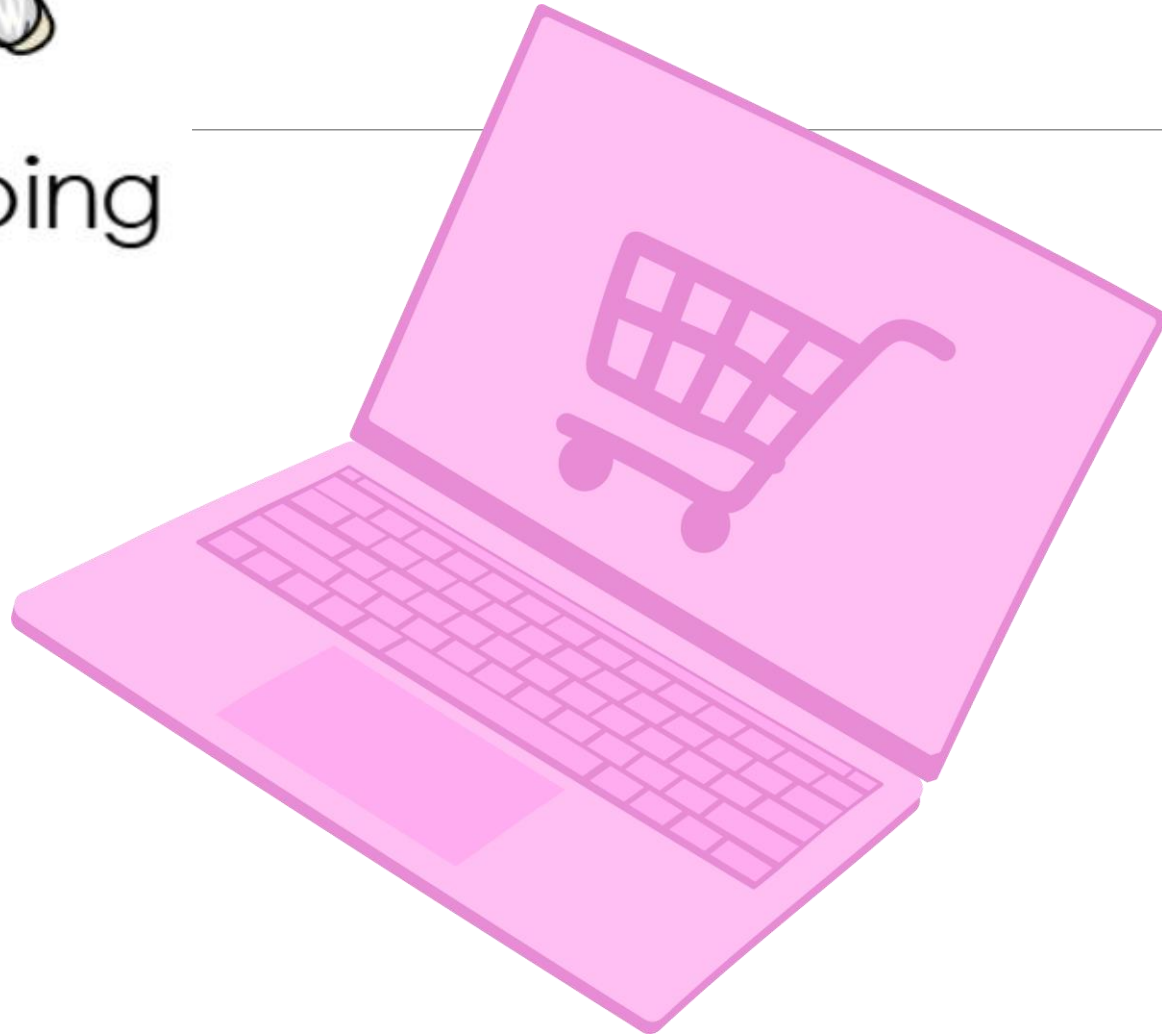

and

friends

Shopping

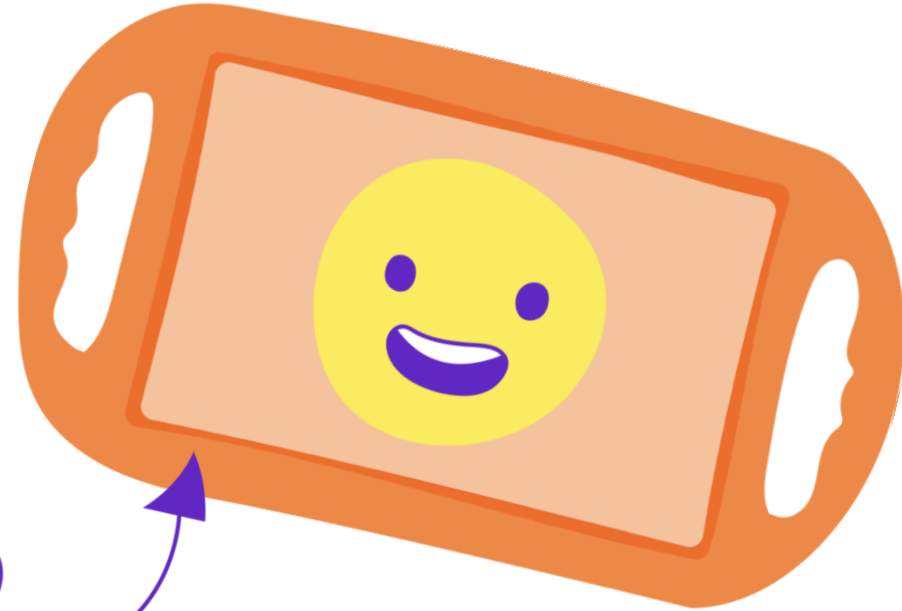

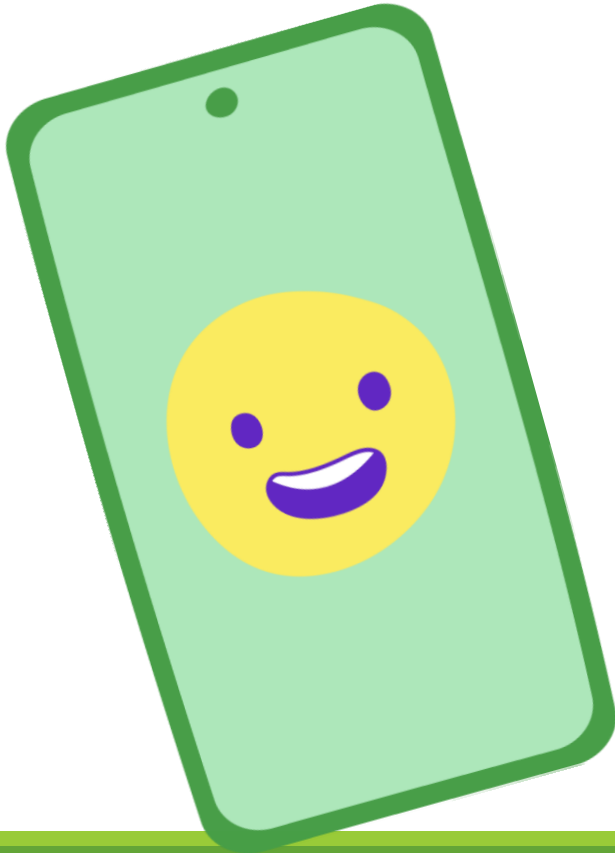

Sharing

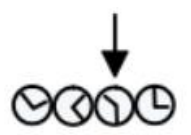

own

content

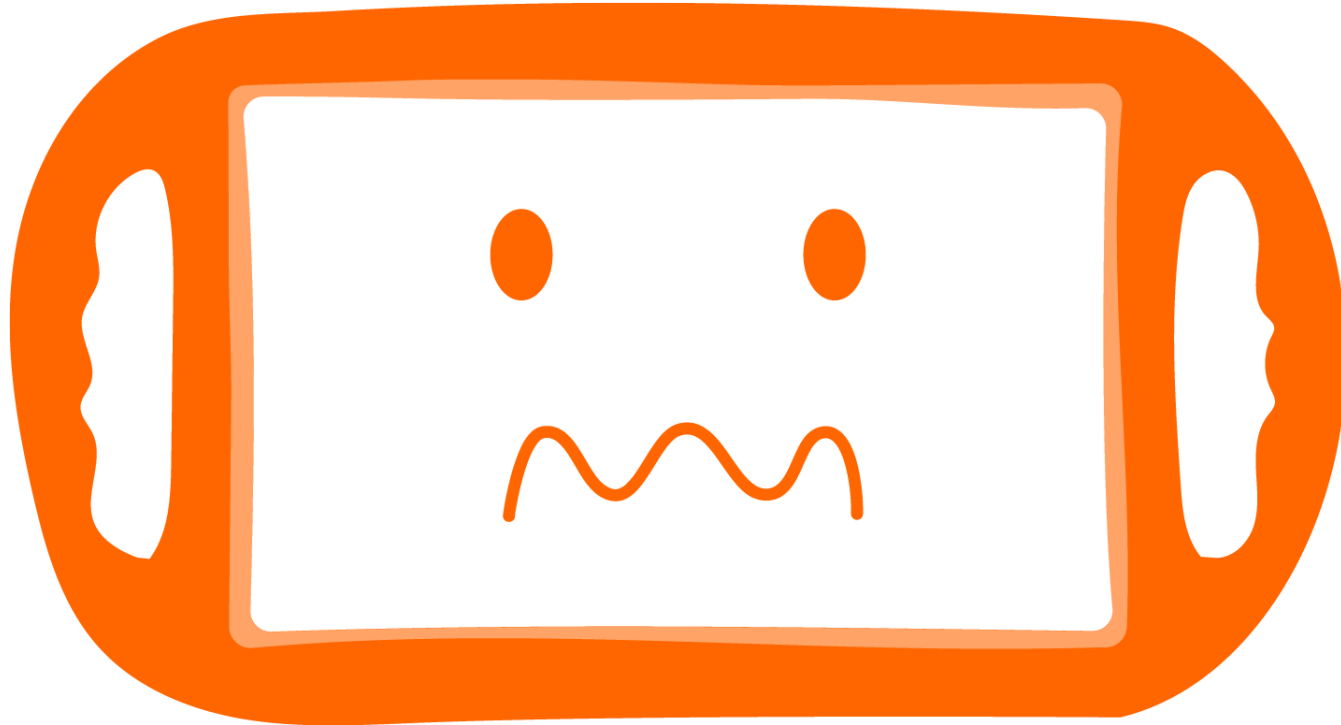

Although there are lots of great things to do online, sometimes

people use it in ways that are unkind or unsafe.

teachers

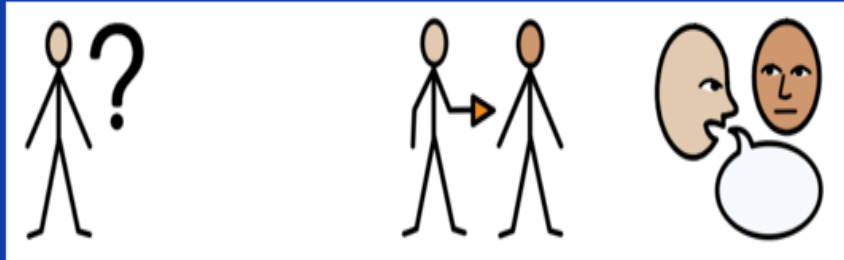

trusted

adults

family

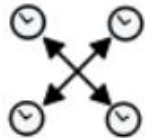

Who can you talk to?

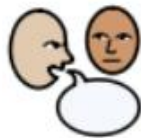

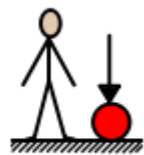

At Rosehill, part of our job is to keep you safe - including online.

If you ever have a worry about something online, you can

talk to your teachers.

How do

we

stay

safe

on the

internet?

Ask

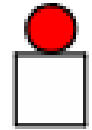

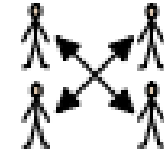

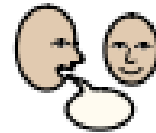

permission to

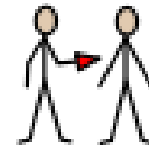

use the internet.

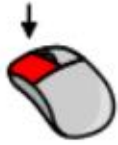

Don't talk to anyone on the

internet you don't know.

Never

click on things that

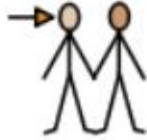

you

are not

sure what

they

are.

Ask

an

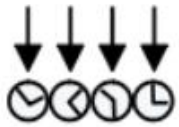

adult

for

help.

Always

be

kind

if

you

are speaking

to

people

online

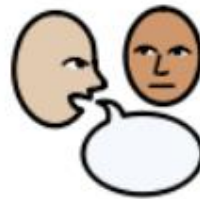

If you

have

a problem

tell

a

trusted

adult.

**You can't block
out feelings**

**If going online is making
you feel down then talking
to someone can help**

BEING SAFE

ON THE

INTERNET

amaze

Internet safety tips

People

you

don't know

are

strangers.

They're not

always

who

they

say

they

are.

Be

kind

to

people

online.

Keep

your

personal information

private.

If you

ever

feel worried

about

something

online,

tell

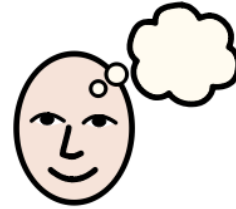

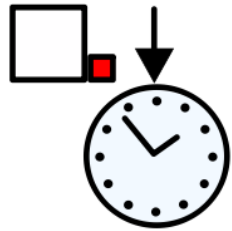

an adult

you

trust.
