Parent & Carer's Special Recognition Event - Achievements Ceremony

Date: 4.12.2020 & 7.12.2020

Location of event: Rosehill School via Zoom

Delivered by: Rosehill School

Facilitator: Cheryl Steele, Headteacher

Be at the heart of your child's learning.

Aims of the session:

- To share with parents and carers achievements from special projects held during the autumn 2020:
 - Pupils involved in organising and planning the new website design and photography day
 - Pupils involved in leading the school's new virtual tour of the school video
 - Pupils involved in organising and leading the schools Children in Need Pudsey fundraising video
 - Pupils involved in the schools Black History Month project

Objectives of the session:

- For parents and carers to share the achievements and engagement of their child in the planning, organising and outcomes of the projects and events
- For parents and carers to receive feedback from class teachers and peers regarding their child's progress
- To praise and reward each pupil

Overview of the session:

- In the session, parents, carers, extended family members and a number of pupils watched the preview of the four special projects completed during the autumn term 2020. This included discussing the key achievements of individual pupils, their involvement and progress.
 - Website design project
<https://www.therosehillschool.com/>
 - Virtual tour
<https://www.therosehillschool.com/about-rosehill-welcome-introduction-vision-aims/>
 - Children in Need

<https://www.therosehillschool.com/virtual-exhibition/>

- Black History Month project

<https://www.therosehillschool.com/whole-school-projects/>

- The positive impact of each project, in relation to the whole school, were shared by the Headteacher. This included, how this has led to successful changes and developments, for example, the virtual tour has enabled many parents of new pupils to view the school's learning environment when they have not been able to attend due to Covid-19 measures at present.
- When discussing individual pupils, achievements included:
 - High levels of engagement
 - Motivation and commitment to developing whole school projects
 - Dedication to school improvements
 - Excellent teamwork
 - Developing independence
 - Being a role model
 - Promoting the school's values
 - Developing the role of school leaders
 - Inspiring others
 - Supporting the wider community
- Parents were extremely proud of their child's achievements.
- It was discussed that the school will continue to use such platforms for sharing progress and outcomes collectively, at this time, whilst there are reduced opportunities for face to face events.

Feedback from pupil, parents, carers and family:

"I am so proud of my child, well done"

Parent

"I like the tour of the school, I loved making the video"

Key Stage 2 pupil
