Parent/Carer Feedback:

Things parents/carers found useful from the session:

Support and information

Hearing what other parents are going through

Useful!

Everything!

It was all very good

Having an overview of the PSHE/RSE curriculum

The session was informative

I liked the whole session

Comments from today's session:

I would like some practical information

It was good to share ideas and know how families are coping

In depth information

Thank you!

I think the session is good as all parents tend to participate and share their views

More about RSE please!

The next parent's session will be held on Friday 11th May 2018 @ 10-12 and where we will be exploring sensitive issues, resources, and tools for tackling inappropriate touching of self and others (including public and private). This session will be led by Cheryl Steele.

Thank you to all the parents that attended and your valuable contributions.

Look forward to seeing soon.
