

Science

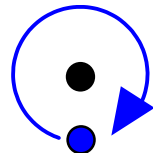

We

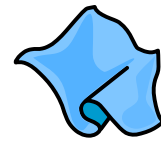

have been

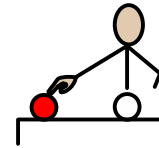

learning

about

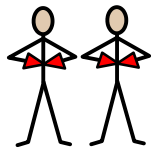

materials

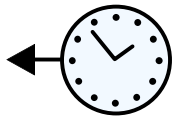

that

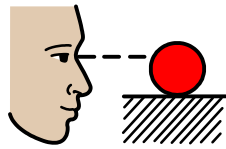

change.

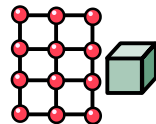

We

have

looked at

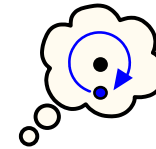

solids

and

liquids

and

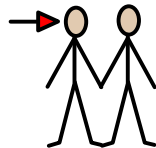

thought about

how

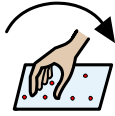

to change

them.

Things to

try

at

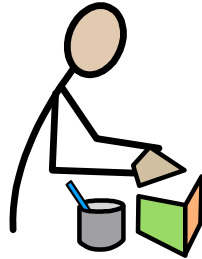

home...

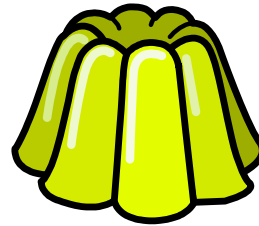

Melt

chocolate

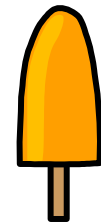

Make

jelly

Make

ice lollies

Make

scrambled eggs

Add

water

to

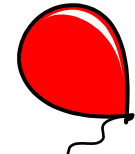

cornflour

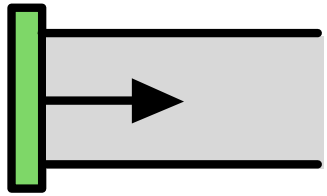

Freeze

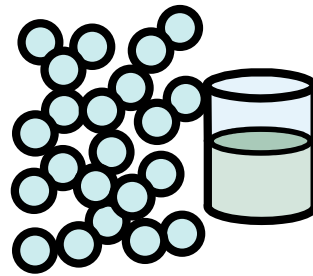

water

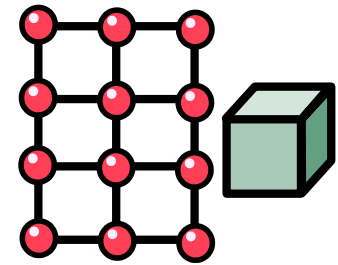

balloons

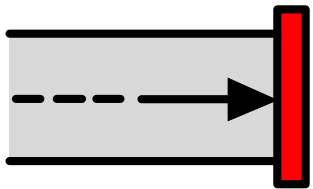

Started as

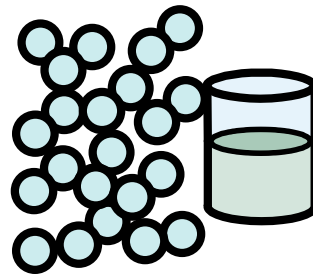

a liquid

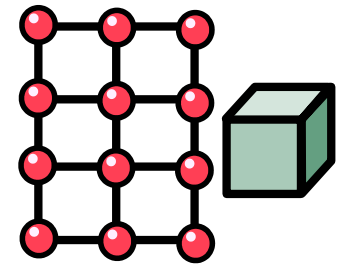

a solid

Finished as

a liquid

a solid
