

Paper

Plate

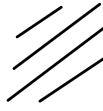

Christmas Tree.

- use a pencil and a ruler

2

to draw two lines on your

paper

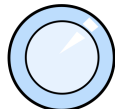

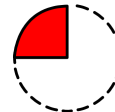

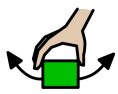

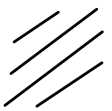

plate. (see picture.)

- Use the scissors to cut out the quarter. Follow the

lines

and

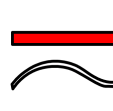

try

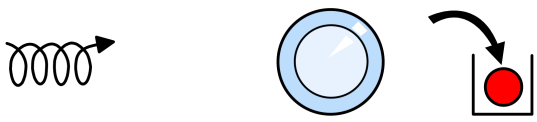

to

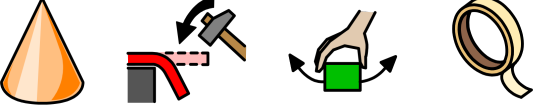

cut

straight!

 • Roll your plate into a

 cone shape. Use tape to

 stick it in place.

• Paint your cone all over with green paint and wait for

it to  dry.

• Use glue to stick on your decorations! You can use

 as many different things as you want.

• You are finished! Well done!
