

When

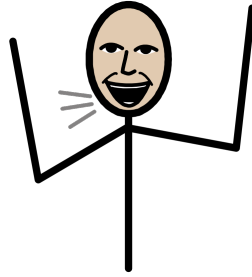

Ramadan

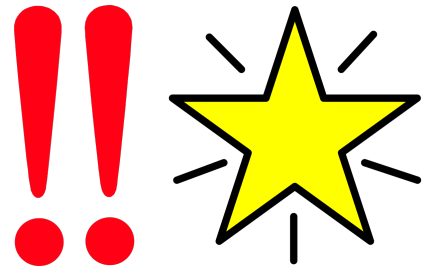

has finished,

Muslims

celebrate with a

very special

event.

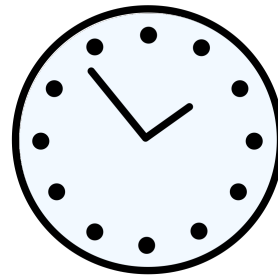

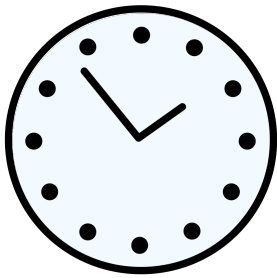

This is called Eid Al-Fitr.

This is a celebration

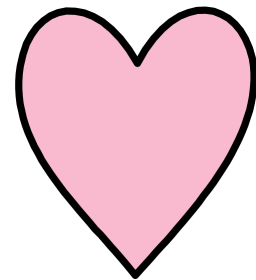

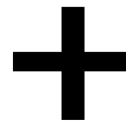

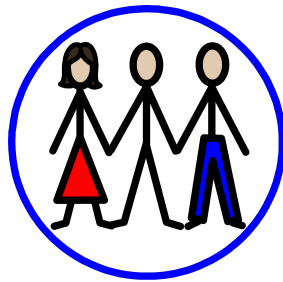

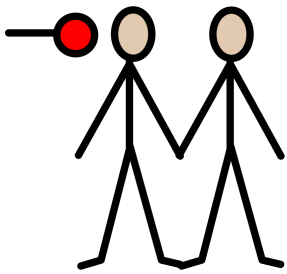

that marks the end of fasting.

This is when Muslims

spend time

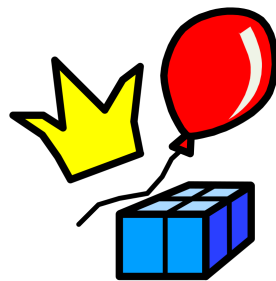

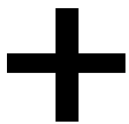

with their

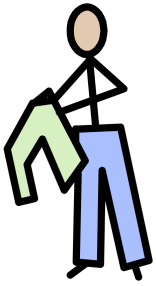

families

and

loved ones

and have a huge party!

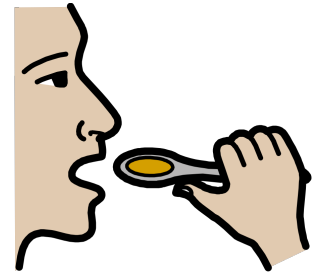

Wearing

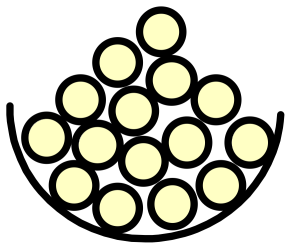

nice clothes

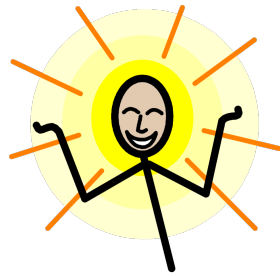

and

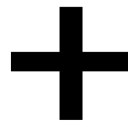

eating

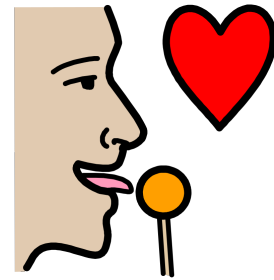

lots of

amazing

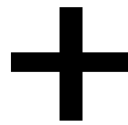

and

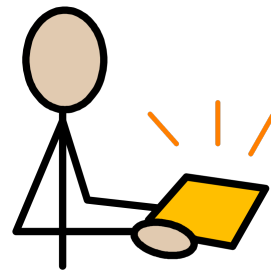

delicious

foods

and

getting

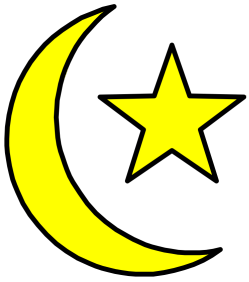

money

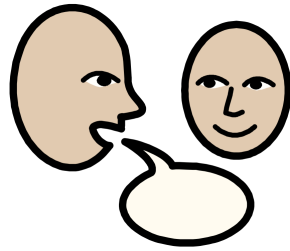

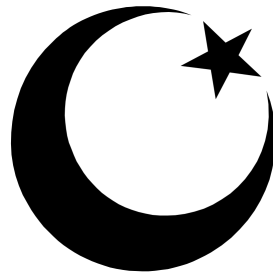

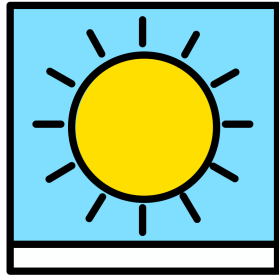

presents!

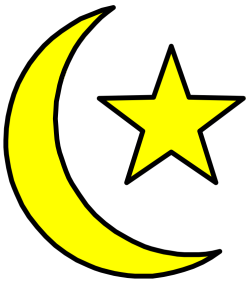

or

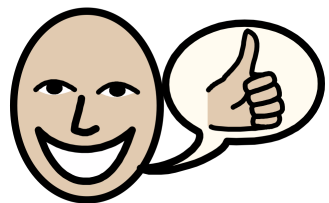

On Eid day,

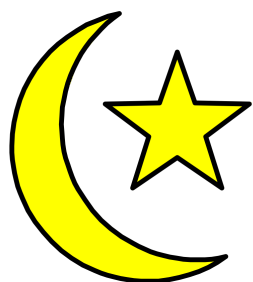

Muslims say

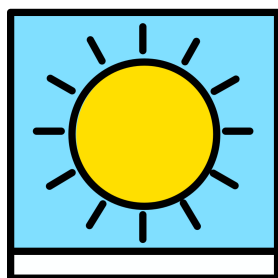

Eid Mubarak!

This means congratulations, it's

Eid

day!
