

Together for a better internet

An internet we trust: exploring reliability in the online world

What is Safer Internet Day?

Safer Internet Day is a day celebrated across the globe. It's a

day when we celebrate all the great things about being

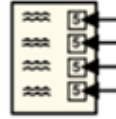

online and remind ourselves how to stay safe.

This years

theme is about how

reliable

information

is

online.

real

or

fake

What

uses

the internet?

What do you like to do on the internet?

Watch films

to play games

talk to people

find information
and maps

shopping

How

would

you

feel

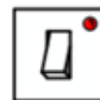

if the

internet

was

turned off?

sad

not sure

happy

Is everything we see online real?

yes

no

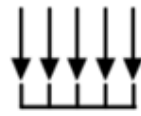

not sure

We cannot

trust

everything

that we

see

online.

There is

a lot

of

fake

news.

Sort the statements by real and fake

?   *i*  **X**
How we can check whether information is true or not?

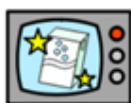

ask

check

?
question

Optional

video

about

adverts

and whether

what

they

say

are

real
