April

Can

you

paint

a picture

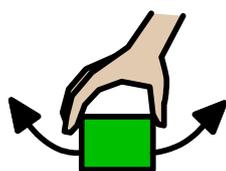

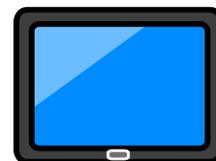

on the

computer

or a

tablet

using

paint

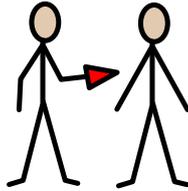

software?

ROSEHILL
SCHOOL

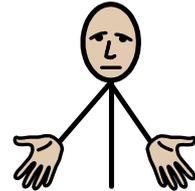

Resources

you

may

need

- tablet

- computer

- laptop

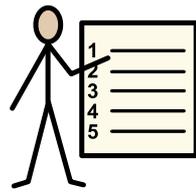

- Purple mash

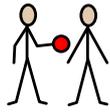

- Paint software

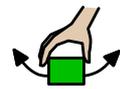

ROSEHILL
SCHOOL

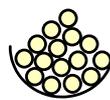

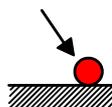

Method / instructions

- Turn on your device.

- Load the paint software. If you are using

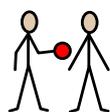

purple mash, there are lots of pictures you can

paint in the art section.

- Choose the colour and brush to use.

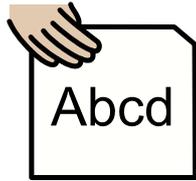

- Paint your picture.

How

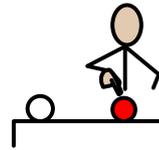

you

might

present

this

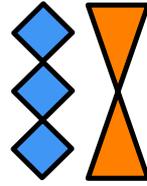

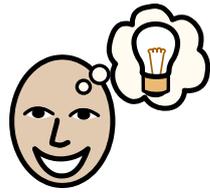

work

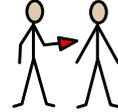

Save your painting on
your computer. If you
use purple mash save it
in your online folder.
You can print it if you
want to or send it to
your teacher's email.

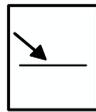

ROSEHILL
SCHOOL

Ideas for differentiation

- Colour a picture on purple mash. Can you

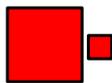

stay in the lines.

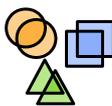

- Paint a picture of a rainbow or your

favourite thing.

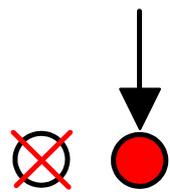

- Change the size of the brush.

- Change the type of brush.
