Computing - E-safety

https://www.youtube.com/watch?v=-Kq3nvC8La0
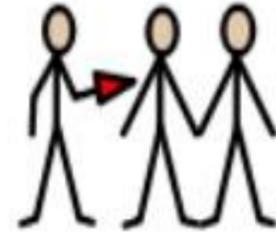

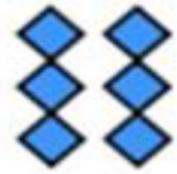

E-safety is about keeping yourself safe on the internet.

Internet Safety

e Safety

It is similar to

crossing the road, you need

to know the dangers.

Why do we need to be safe crossing the road?

so we don't get hurt

so we can go to the shop

so we can eat

This is why we need to stay safe online - we might get

hurt if we are not careful.

We can reach the internet by clicking on a web browser

Why do we use the

internet?

The Internet

Disney+

NETFLIX

YouTube

To watch films or music videos.

CBeebies BBC

amazon.com Prime

The Internet

To play games

To email people, call on skype / zoom or message.

Talk to friends on Facebook, Twitter or Instagram.
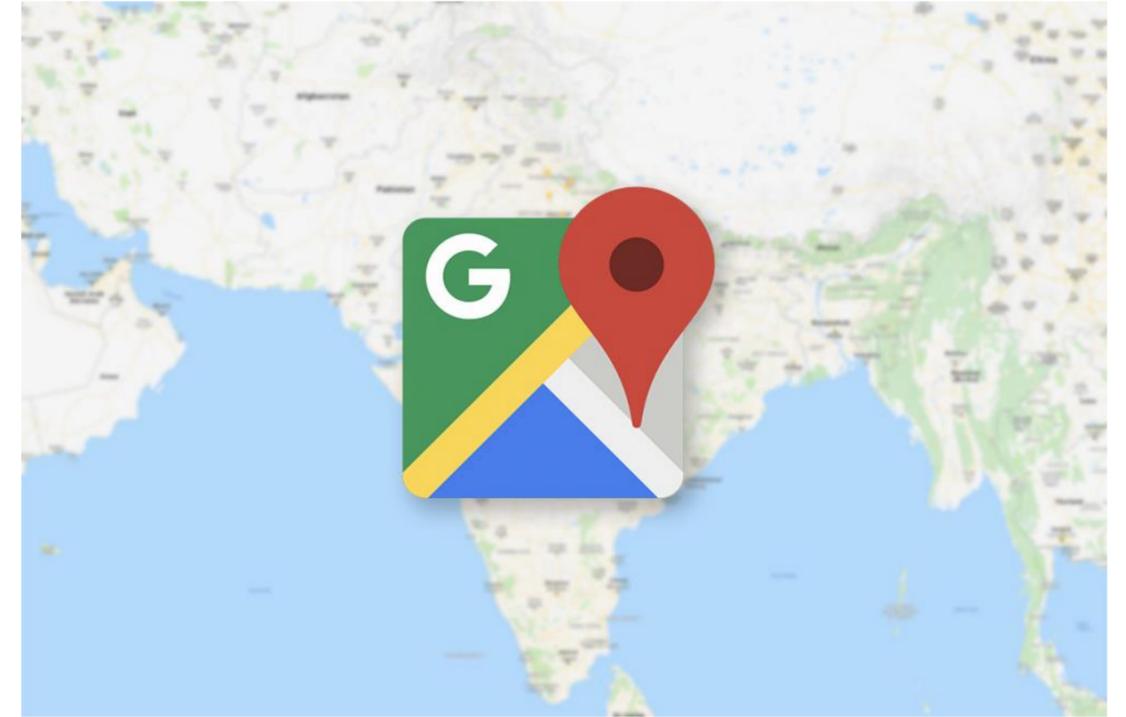

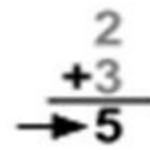

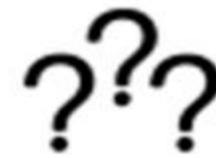

Find information about the world and check maps.

**WIKIPEDIA**
*The Free Encyclopedia*

Find answers to questions and do research.

Google

online shopping
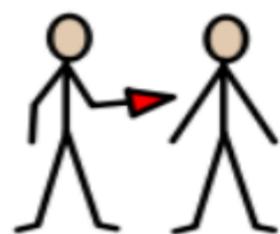

How could you be unsafe on the internet?

Are you safe on the web?

The computer could get a

virus and stop working.

People could write nasty things about you. This is called cyber bullying.
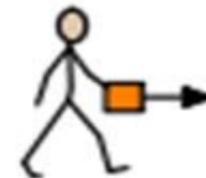

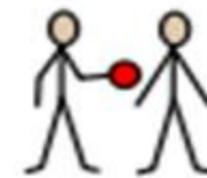

People could find out information about you and take your money.
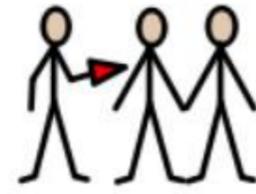

People might pretend to be someone else

and try to meet you in real life.
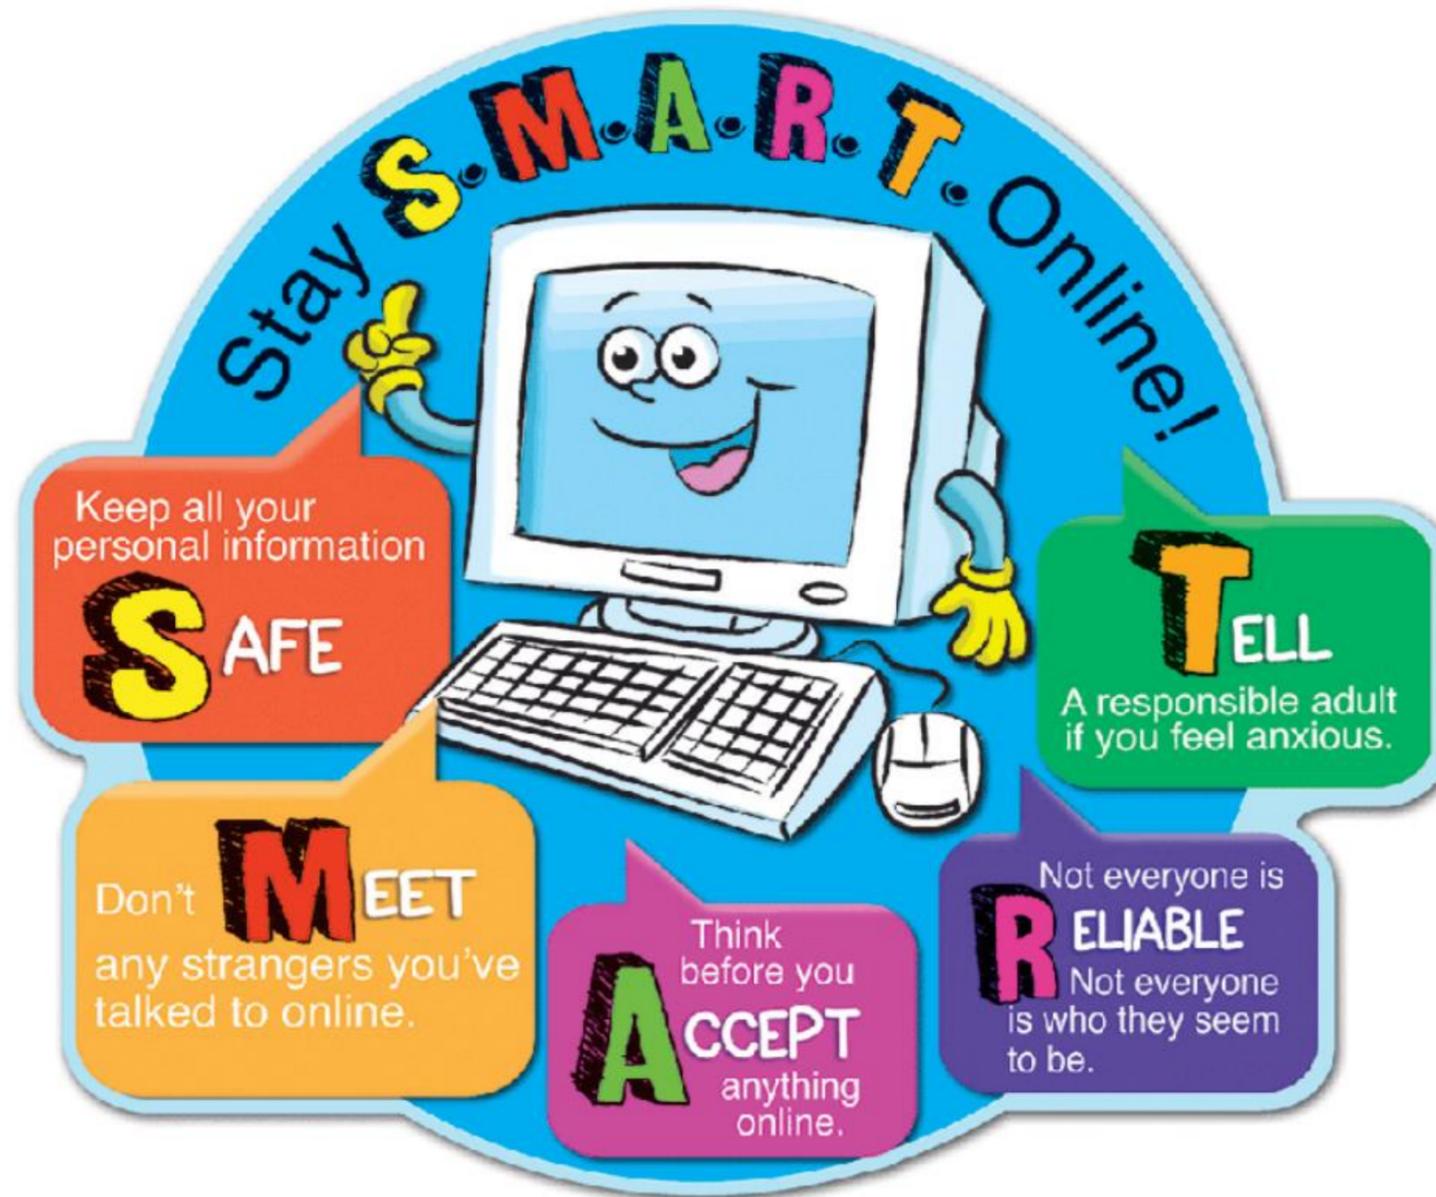

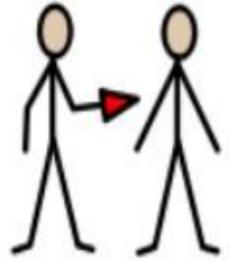

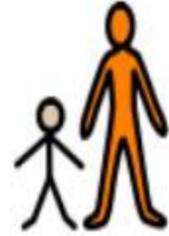

How can you keep yourself safe online?

You must always ask an adults

OK

permission before using the internet.

SAFE
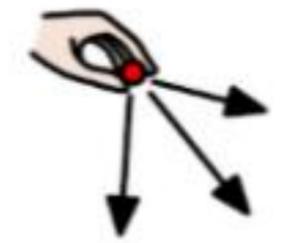

To stay safe do not give out personal information.

**Personal Information**

HELLO MY NAME IS ALEX
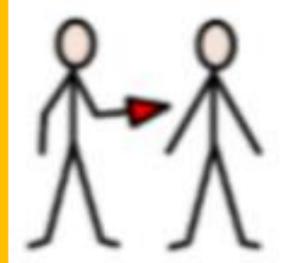

You don't know where your personal information will go.

MEETING

You may **meet people** **online** **in** **chat areas.**
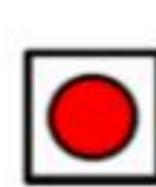

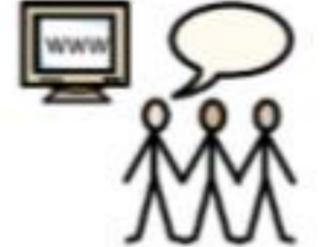

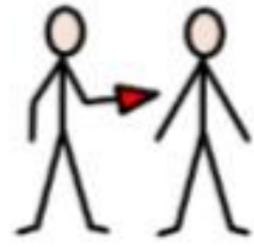

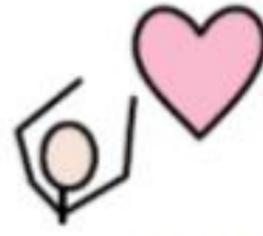

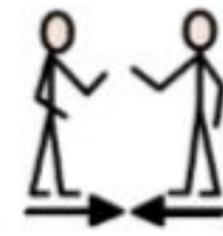

You may **want to** **meet** **your** **new** **friends.**
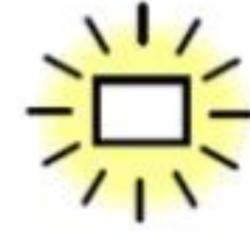

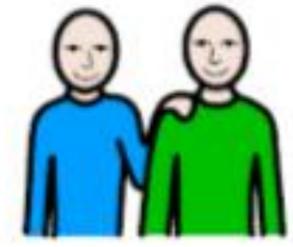

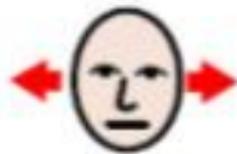

**People may** **not be** **who** **they** **say they are.**
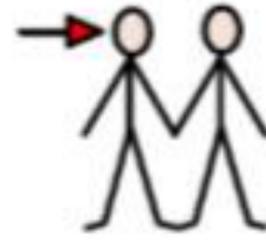

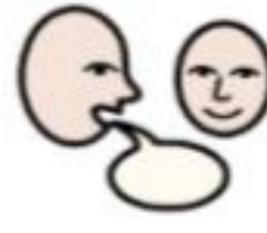

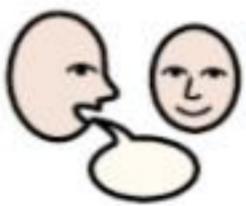

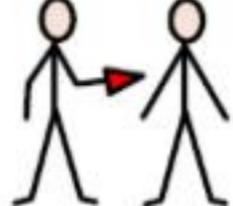

Tell **an** **adult** **if you are** **thinking of** **meeting someone.**
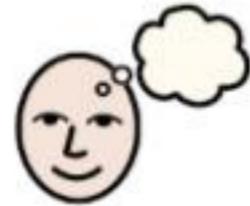

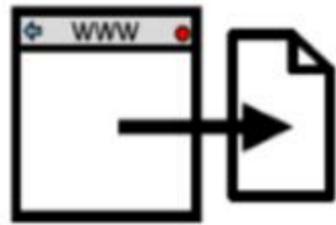

ON FACEBOOK: = IN REAL LIFE:

ACCEPTING
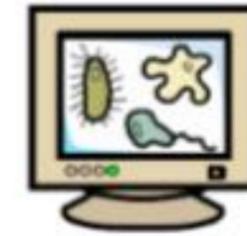

Don't open emails from strangers.
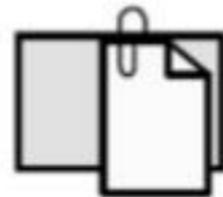

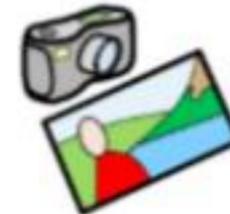

Emails or attachments may contain viruses.
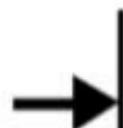

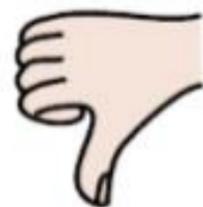

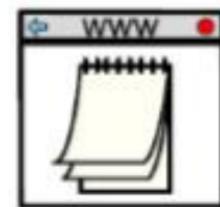

Emails or attachments may contain unpleasant photos.
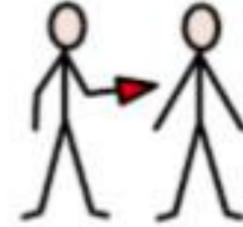

Emails may have links to inappropriate websites.
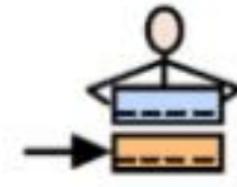

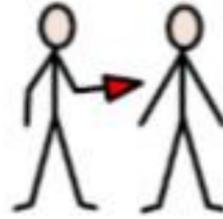

RELIABLE

Give yourself a nickname online.
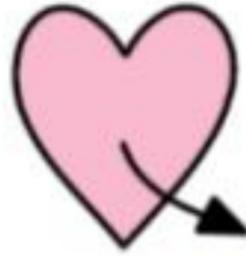

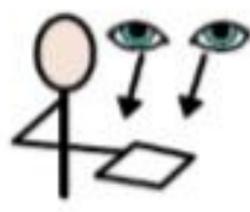

Be careful, you don't know when someone is pretending.

Someone may want to lie and be cruel.

Save the conversation and show a trusted adult.
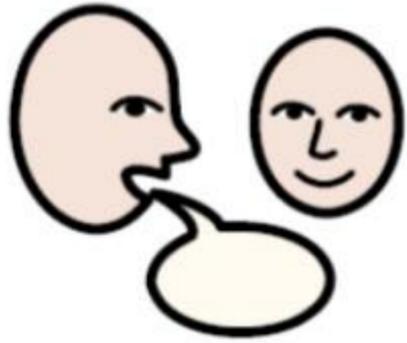

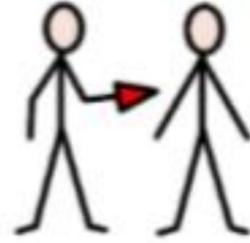

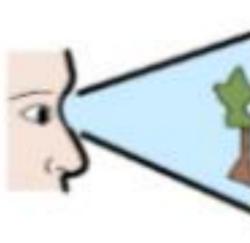

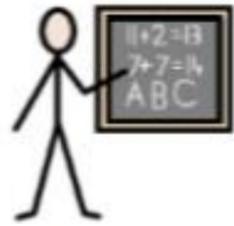

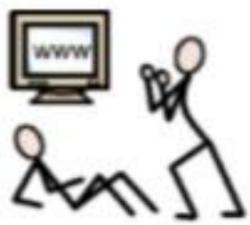

TELL
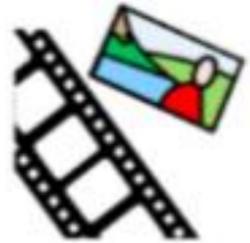

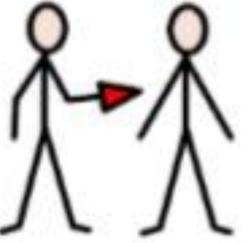

Some things you see online may upset you.
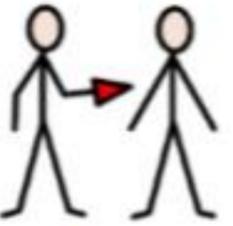

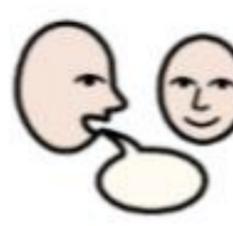

You can talk to a best friend, parent or teacher.

Cyber bullying is when people are mean to you online.

If you are worried about a conversation, tell someone.

Remember to follow the SMART rules to stay safe online.
