

Rosehill School – Curriculum Project

Access to Nature

Subject Lead: Emma White
Project Dates: School Year

Key Learning Objectives

At the end of the Project pupil will:

- Pupils will complete the access to nature programme.
- Pupils will complete visit clumber park (conservation day), Rufford park, Pooles cavern, peak district (rock climbing, weaselling).
- Pupils will improve their team work skills.
- Pupils will improve their physical fitness.
- Pupils experience a new and challenging environment.

Access to nature programme

Pupils from upper school completed the Access to Nature programme. The pupils accessed a variety of new activities. They completed a conservation day at clumber park, orienteering at rufford park, visited pooles cavern and engaged in rock climbing and weaselling in the peak district.

“ Be free in nature’

Impact on children and young people

Engagement-
all pupils selected for the
access to nature
programme engaged
really well.

16 pupils accessed
the access to
nature programme.

Access to nature
gave the pupils
an opportunity to
develop a variety
of skills.

Access to nature
provided them with a
variety of
opportunities that our
pupils would not get
outside of this
programme.

Impact on staff/school community

Staff were able to engage with the pupils in the community.

Staff were able to enjoy to engage in a variety of new activities.

Staff were able to build positive relationships with the pupils.

Staff really enjoyed working with pupils outside of the classroom.

Access to Nature photographs

'Exploring nature'

Pupil/ staff Feedback

Rosehill pupil

'I loved weaselling I really enjoyed climbing through the rocks.'

Rosehill Staff

'Seeing pupils engaged in these different activities was amazing, some of our higher profile pupils engaged really well with this programme.'

Next steps

1

To continue to provide access to nature programme for Rosehill pupils.

2

To complete the programme with more pupils.

3

To enable pupils to become more physically active.
