Young Writers Project 2022

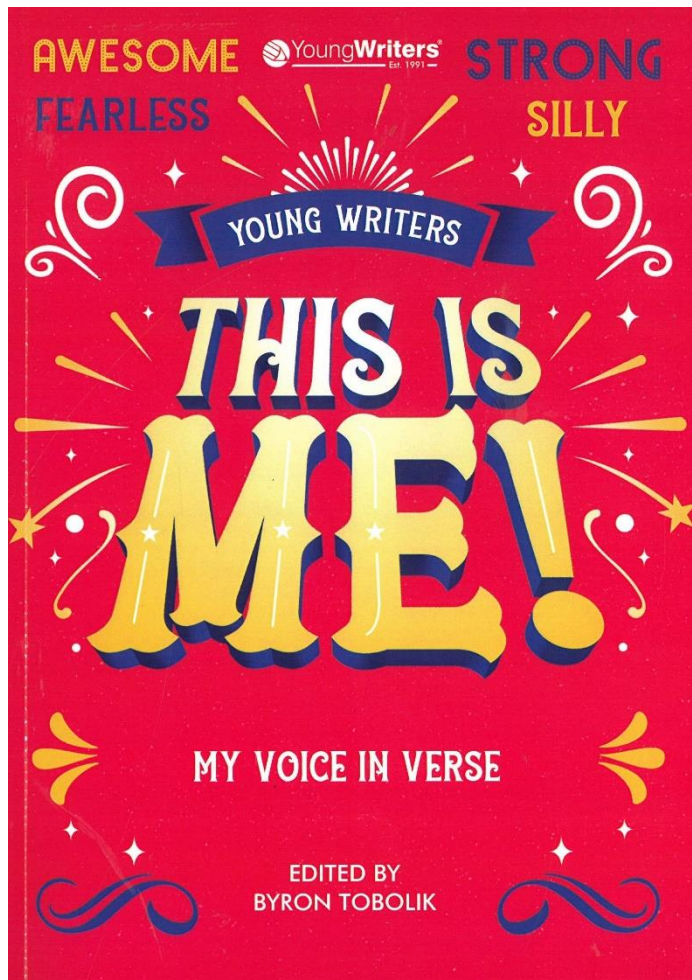

In October 2022, one member of class 9 (Seal) worked extremely hard to create the poem you can see below.

Over the course of 3 weeks Harmilton built his fabulous This is Me poem.

The young man wanted to share his amazing work and so we submitted this to the Young Writers competition.

Harmilton was chosen for the final book which is published and available on line!

We are extremely proud of Harmilton's work!
