Key Objectives

At the end of the Transition Fayre pupil will:

- Parents will understand the timeline to apply for college placements and/or social care day centres.
- Will interact/ communicate with different providers for Post 18
- Have a 1:1 session with Rowan Huggins from Futures

Transition Fayre Content

The Transition Fayre is to support parents and Young People as they transition from Rosehill after year 13 or 14.

This can be a difficult time for many parents and Young People as they move to work with other colleges and different providers.

The Transition Fayre is to support this process and give opportunity for parents to engage with other providers and understand the process.

'Be active, be healthy, be happy'

Impact on Parents and Young People

Engagement- All parents engaged in the presentation from Futures and talked to different providers

25 parents came to the fayre for a morning or afternoon session

7 different Post 18 providers presented at the fayre

Parents fed back that the Fayre was very useful and informative

Impact on the School Community

Pupils were able to engage with colleges and day service providers

Pupils and staff were able to talk to Futures to have a better understanding of the transition process

Staff were able to build positive relationships with the parents

Pupils served in the café, which developed their work experience skills
