

This morning,

middle

school

class

ambassadors

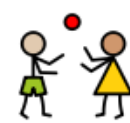

met

with

Pentagon

Play

to discuss

and

help

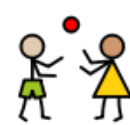

design

new

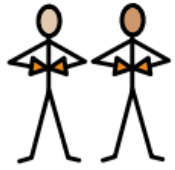

outdoor

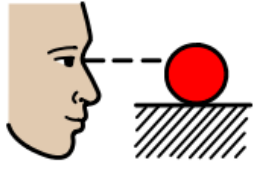

play

equipment.

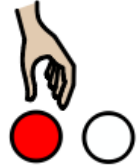

We

looked at

different

options

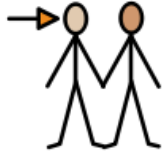

in

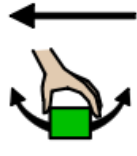

the brochure.

They

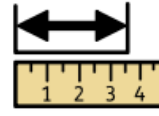

used

a trundle

wheel

to

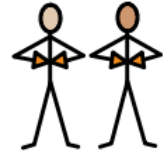

measure

the

area.

We

checked

the

samples

of

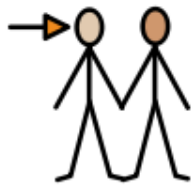

new

artificial

turf.

They

listened

to

our

pupils

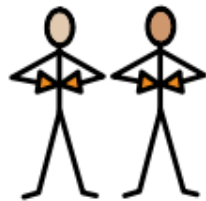

views

and

preferences.

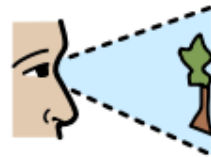

We

are

excited

to

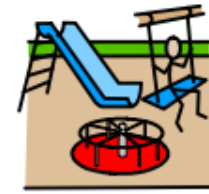

see

the

new

equipment.
